The amount of Rs 101-1-9 may be paid to the claimant by Govt. The money remained with Govt and as we receive S.B. deposits without limit, we lose nothing by having to pay the interest @ 2½ P.C. The difference

which comes to 38 Rs is what
Govt. has to pay in excess.

Enclosure No.

Sir,

We the undersigned beg to bring the following for your information and to request that they will meet with your favourable orders.

2 We presented the marginally noted Mysore Railway Debentures for the payment of principal due on them at the Nagar Taluk Treasury on 23-8-02 vide Government notification no 150 dated 16th July 1902.

3. After some correspondence you were pleased to order the Deputy Commissioner Judy: Department Shimoga District to pay the principal of the said Debentures

(11)

Vide your office memo no 71 dated 8th September 902. But no payment was made to us till the 27th Dec 1902 and that too after receipt of your orders on our petition dated 15-12-02 addressed to you.

4, Several reminders were sent to the Amildar of Nagar for the payment of the principal of the said Debenture from begining of October to 15th December 1902. but the Amildar was informing us all the while to the effect that he received no orders from the Treasury Officer on the subject — Thus a long delay of more than three months, from 8th September 1902, the date of your order authorizing the payment, to the 27th December 1902, the date of payment, has been caused by the Treasury Officer Shimoga District in giving Orders to the Amildar of Nagar for the payment.

5. Under the foregoing circumstances we beg your honor will be pleased to institute full enquiry and order the payment of interest due on Rs 7000/- for three months from 8th September 1902 to 27th December 1902 as the payment was put off unnecessarily for more than three months without reason and thereby we are put to much inconvenience and loss.

The upper halves of the Mysore Debentures noted in the margin which were surrendered for discharge under Government Notification No.150 dated 17th July 1902 were received in this office on the 29th August 1902 and the lower halves thereof on the 8th September.

Memo No.71 of 8th September 1902 was sent authorising the Shimoga District Treasury to pay the principal of the debentures recorded on the reverse of the Memo amounting to Rs.7,000/- and at the same time returning both halves of Debenture No.328 for Rs.2,000/- one of those received, vide para 1, for a certificate of a competent Court for VamanaRao to receive the amount of the Debenture; the rightful owner being Chenderama Govindappa by whom it was not endorsed to anybody. This Memo was received by the Shimoga District Treasury on the 10th September 1902but no orders were issued by it to pay the amount until the 13th December 1902. There was no excuse on the part of the District Treasury in withholding payment of Rs.7,000/- distinctly authorized by this office till the receipt of Nagar Amildars Yadi forwarding the heir-ship certificate in regard to the Debenture for Rs.2,000/- which was returned for want of proper authority in support of the claim. It is explained under the impression that the remarks made in re Debenture No.328 for Rs.2,000/- applied also for the debentures for Rs.7,000/-. The Deputy Commissioner does not accept this explanation but attributes the delay to shere carelessness. He does not however report what notice he took of such carelessness.

SIR,

With reference to your docket No. Fl 337 dated 3rd August last regarding the delay in the payment by the Shemoga District Treasury of the Principal of the Mysore Debentures of the Nominal Value of Rs 7000 tendered by Messrs. C. Nagappa, C Narasimha and C. Vaman Rao under Government Notification No 15 dated 17th July 1902, I have the honor to enclose copy of docket No 118 dated 7th November 1903, received from the Treasury officer Shemoga in reply to mine of the 25th August 1903. No 1230 calling

for a more detailed report on the matter of the delay, from which it will be seen that that the delay in the payment in question is attributed to the carelessness of the Treasury clerk Ramakrishniah whom the Treasury officer duties was reprimanded and warned to be more careful in future. There is no doubt that the Treasury clerk in question was primarily responsible for the delay, but at the same time I do not think the Treasury officer is altogether free from blame in the matter as he ought to have seen that the instructions of this office regarding the payment were promptly attended to.

2. The payment in question was delayed unordinately from 8th September to 27th December 1902 or 3 months - 20 days allowing 6 days for period of transit of correspondence

(21)

on the subject, from this office to the Khera sub District Treasury & thence to the Taluq Treasury department of payment, the actual delay might be put down as 3 months 14 days.

The interest for this period at 5-0/0 per annum is Rs 7-0-0 amounts to Rs 101-1-9 which the holders of the debentures lay claim to, and rightly so too.; for being kept out of their money which they could have utilized to their profit. The payment of the above interest should be made good to the debenture Holders by the Treasury clerk who is alleged to have caused it by his carelessness and the Treasury Officer for his dereliction of duty in the matter as stated above.

The proportionate amount to be recovered from each is for the Government to determine

I may add that delays such as that upon Animadversion, and the apparent indifference of Treasury Officers to, instructions issued to them are to be deprecated and deleterious Measures, ought I think to be adopted to minimize or altogether remove the evil, which I regret to say, from observation is becoming rather frequent.

The delay of 3 months and 12 days in issuing the order of payment to Yakub arose through some mistake of the Treasury clerk Rama Krishniah as already explained in this office docket No 467 dated 25th April 03 and 5-1 dated 17th August 1903.

The clerk has been reprimanded and warned to be more careful in future.

Progs. of the Govt. of H. H. the Maharaja of Mysore.

Read:

Correspondence ending with letter No. 3147 of 3d December 1903 from the Comptroller to the Govt. of H. H. the Maharaja of Mysore re delay in payment of the nominal value of the Mysore Railway Debentures tendered by Messrs. C. Rajappa, Narasimia and Vaman Row, Salucars, Nagpur.

Order:

On 8th September 1902, the Comptroller authorised the District Treasury, Shimoga to pay the Salucars above referred to Rs. 7000/-, being the nominal value of the debentures tendered by them, and the amount was paid to them on the 27th December 1902. On this, the debenture holders complained of the delay and urged their claim to the interest on the amount for the period during which payment had been delayed. The Comptroller brought this to the

notice of Government and he was asked to report with his opinion the officers responsible for the delay and the amount of interest which should under the circumstance be paid. He states that the delay is attributed to the carelessness of the Treasury Clerk Ramakrishnia and considers that the Treasury officer is not altogether free from blame in the matter as he ought to have seen that the instructions given regarding the payment were properly attended to. He further states that the payment was actually delayed for 3 months & 14 days Excluding 6 days for correspondence on the subject, and that the interest on the amount for the period @ 5% per annum amounts to Rs. 101-1-9 and further states that the payment of this amount should be made good to the debenture holders by the Treasury Clerk and the Treasury officer

(28)

2 Under the circumstances, the Govt. of H. H. the Maharaja are of opinion that the amount of Rs. 101-1-9 claimed by the debenture holders are right and should be paid to them. But, however the money remained with Govt, the interest at the Savings Bank rate of 3½% comes to about Rs. 63 and the difference of Rs. 38 is what Govt. has to pay in excess, which will be levied from the Treasury officer and the Treasury clerk, the former paying Rs. 30/= and the latter the remainder.

upon personal final orders in the matter, the Govt. is requested to get the name of this Treasurer clerk and his explanation if any for not drawing this bill through the amount. The Treasurer clerk must initially and be furnished by him

L. Anantasamia Rau Esq.,
Offg. Secretary to the Govt.
of Mysore, General and
Revenue Departments.

Sir,

Adverting to Government Proceedings No. H. 1853 dated 26th January last requesting to report the name of the Treasury officer who delayed payment of the nominal value of the Mysore Railway Debentures Tendered by Messrs. C. Nagappa and others, I have the honour to report that Mr. T. Chokkanna was at the time the officer in charge of the

District

District Treasury at Shimoga. A copy of his letter No. 162 dated 29th ultimo containing his explanation on the subject is enclosed for the information and orders of the Government.

I have the honour to be,

Sir,

Your most obedient Servant

Deputy Commissioner,
Shimoga District

1903-1904. (82)

From

T. Chokkanna Esq, B.A.,
Second Assistant Commissioner
Shimoga District

To

M.S. Narayana Rau Esq.,
Deputy Commissioner
Shimoga District.

Dated 29th February 1904

No. 162

His No. 1702 dated 11th February 1904.

Sir,

With reference to the above I have the honour to state as follows:-

The memo No. 71, authorizing the repayments of the Debenture loans in question, bears date the 8th September last and was received here on the 10th idem. It was referred that very day to Treasury clerk Rama

Krishnayya who was entrusted with this work to avoid delays.

Mistaking the manuscript requestion for an heirship certificate in regard to debenture No. 698 of 2000 Rs, to apply to the whole of the loans, the clerk in question only issued an order to the Nagar Buildar in the matter of the said certificate.

But for this mistake, there was nothing to prevent an order for repayment being sent to the Nagar Taluk Treasury on the 10th September on which date the above order for the certificate was issued.

That these loans yet remained unpaid though sanctioned, came to my notice again only after the receipt of Comptroller's No. 1011 18-12-902 when immediate orders were issued

to

to the Bailiff concerned.

A glance over the whole correspondence (herein enclosed) as received from the District Treasury officer will clearly show that no fault can attach itself to me in this matter.

I have the honour to be,

Sir,

Your most obedient Servant,

(Signed) J. Chokkanna

G.O. No. H. 1853 of the 26th January 1904 holding that the interest claimed by Messrs. C. Comr., Shimoga &c.

Order: to report the name of the Treasury Officer and his explanation, if any, for not drawing bills the Treasury clerk to pay the amount.

Letter No. 506/338 of the 19th March 1904 from the Dy. Commissioner, Shimoga Dist., reporting that Mr. T. Chokkanna was at the time the District Treasury officer and submitting copy of his letter No. 162 of 29th February 1904 containing his explanation on the subject.

that the Comptroller's memo No. 7 of the 8th September 1902 authorising the payment of the Debenture Loans in question amounting to Rs. 7000/- has received and referred to Treasury Clerk Rama Krishnayya on the 10th September 1902, that the clerk mistook the requisition calling for an heirship certificate as regards the amount viz. Rs. 2000 of another Debenture No. 898 to apply to the whole of the Debenture loans and issued the order as regards the heirship certificate only, instead of as above and that the fact that the loans in question had not been paid came to his notice only after receipt of the Comptroller's No. 1011 of 18th Dec. 1902, when immediate steps were taken.

Mr. Chokkanna's explanation is unsatisfactory and, as such, it cannot be accepted. His responsibility did not cease with the transfer of the papers to one of his subordinate officials. He should have given proper directions and taken care that they were carried out promptly

~~A Treasury officer may well be dismissed both, if for all this latter duties are held responsible.~~

The Amount claimed by Jaypee C. Rajappa and others is Rs. 107-1-9. ~~But, as shown~~ and as the money remained with Govt., the interest at the Savings Bank rate.

of 3/18 of Cows to about Rs. 63 and the difference of Rs. 38 is what Govt. has to pay in Excess. This amount viz Rs. 38/- must be made good by ~~the Secretary~~ ~~of the time~~ Mr. Chokkanna. ~~the Clerk Telas Office for the time being.~~ ~~and~~ The Clerk in question will be suitably punished by the Dy. Comr.
